Subject No. 227.
Kurubar tank.

Summary of discussion.—The water-supply of the Kurubar tank should be improved by constructing a feeder channel from the Palar river through the Kylanur Dodkere in the Kolar Taluk.

Reply of Government.—The subject is under enquiry.

Subject No. 228.
Seigniorage on building materials.

Summary of discussion.—The seigniorage of Rs. 3-3-0 per cart-load of timber or other building materials brought from the Mysore forests should be reduced to Rs. 1-4-0 which is the rate prevailing in the adjoining British Districts.

Reply of Government.—The Forest Department will be requested to enquire into this matter.

Subject No. 229.
Assessed Service Inams.

Summary of discussion.—Shanbhog Service Inam lands which have been brought under assessment should be made transferable and all restrictions regarding their alienation removed.

Reply of Government.—Under consideration.

Subject No. 230.
Mirasi to Totis and Talavars.

Summary of discussion.—Cultivators of wet lands should be exempted from the payment of miras to Totis and Talavars in the years in which no crop has been raised.

Reply of Government.—It is inexpedient to disturb the existing custom.

Subject No. 231.
Fishery in tanks.

Summary of discussion.—Fishery in tanks with a revenue of more than Rs. 300 should be given to the raiyats free as in the case of tanks with a smaller revenue.

Reply of Government.—The Rules already provide for this.

Subject No. 232.
Kolar Town water-supply.

Summary of discussion.—The project for the improvement of the water-supply of the Kolar Town should be sanctioned early.

Reply of Government.—The subject is under consideration.

Subject No. 233.
Local Fund grants for wells in Municipalities.

Summary of discussion.—Grants for the construction of wells, &c., in Municipalities should be made from the Local Funds, so that raiyats residing within the limits of municipal towns may share the benefit of the Local Funds with the raiyats in the outlying villages of the Taluk.

Reply of Government.—The reference is apparently to grants from Local Funds General for drinking-water wells. Such grants can only be given to Municipalities under very extraordinary circumstances.

Subject No. 234.
Darkhasts for banjar lands.

Summary of discussion.—Applications for banjar lands should be promptly attended to, lands in List A being put in possession of darkhastdars at once, and lands in List B being delivered to purchasers within a month from date of darkhast.

Reply of Government.—To the Deputy Commissioner for attention.

Subject No. 235.
Veterinary Doctors.

Summary of discussion.—An experienced Veterinarian should be appointed for each Taluk for the treatment of cattle diseases.

Reply of Government.—*Vide* Subject No. 79.
